MEMORANDUM

TO: CHIEF ACCOUNTANTS, PAYROLL CLERKS,
AND PERSONNEL OFFICERS
NON-AUTOMATED AGENCIES

FROM: Mr. Thomas L. White, Jr. *TLW*
State Comptroller

SUBJECT: Information on Longevity Payments

Section 36-6-11, *1975 Code of Alabama*, provides for payments for longevity based on permanent full-time and permanent part-time service. **2010 LONGEVITY BONUSES WILL BE INCLUDED IN EMPLOYEES' NORMALLY SCHEDULED PAYROLL CHECKS FOR THE FIRST PAYDAY OF DECEMBER. The payment date this year is December 1, 2010.** In 2009, each department verified the number of months of eligible service through December 1, 2009, for each permanent full-time and part-time employee. This information was captured on all employees' records and is reflected on the employees' AGYS screen in the field labeled "Longevity Counter." In preparation for longevity payments this year, this field was increased by twelve (12) months on October 1, 2010 for employees in active pay status.

Attached is a listing of your agency's employees with the last four digits of their social security numbers sorted by pay location. This listing should be used to verify the number of months' eligible service for all permanent employees through December 1, 2010. In accordance with revised State of Alabama Fiscal Procedures, eligible service time **only** "includes time worked and paid by the State Comptroller, the Comptroller for the State Docks, or the Comptroller for the Department of Mental Health/Mental Retardation prior to August 25, 1990."

If the information on the listing is incorrect, make the changes on the listing and return it to GHRS, ATTN: Stanja Bond, Room 282, RSA Union Building no later than **November 5, 2010**.

Employees on long leave without pay (L status) on December 1, 2010, for purposes other than **family medical leave** or **military** purposes, are not eligible for the longevity bonus or credit for seniority time for months on leave without pay. Complete an AGYS form to reflect adjustments for the months not worked and send to Stanja Bond no later than **November 5, 2010**.

Employees on Long Leave without Pay for FMLA purposes are eligible to be paid the longevity bonus **when they return to pay status** but receive NO credit for the months on leave without pay. If the "longevity counter" field on the AGYS screen was **not** programmatically increased by 12 in October, this field should be increased to reflect the number of months **worked since December 1, 2009**. If the "longevity counter" field **was** increased in October, the field should be decreased by the number of months not worked since December 1, 2009. When the employee returns to pay status, a One-Time Payment form must be completed and submitted to GHRS.

Employees on Long Leave without Pay for military purposes are eligible to be paid the longevity bonus **and** receive full credit for months not worked. All **agency approved** longevity payments for employees who are on military long leave without pay December 1, 2010, will be paid on a supplemental payroll processed on December 6, 2010. A One-Time Payment form must be completed for these employees and forwarded to Stanja Bond, Room 282, RSA Union Building, no later than **November 24, 2010**. Please write **Military** on the top of the One-Time Payment form.

Longevity payments will be automatically generated for employees who are in "W" status due to a work-related injury. An AGYS form should be completed and sent to GHRS no later than **November 5, 2010** to reflect 2/3 credit for time not worked due to an on-the-job injury.

Part-time employees will have the "percent full time" field from the ESMT on the attached listing. Calculate the pro-rated amount based on the percentage shown and complete a One-Time Payment form with the calculated amount of the longevity payment and forward to Stanja Bond, Room 282, RSA Union Building, no later than **November 3, 2010**.

The pro-rated amount is calculated by multiplying the percentage shown in the "% full time" field on the ESMT by the amount of longevity payment that the employee would have received had he been a full-time employee. For example, Employee A works 75% of the scheduled hours every semi-monthly pay period. He has 126 months in the longevity counter. His "percent full time" on the report shows .75. To calculate the amount due for Employee A, multiply \$600 x .75 = \$450.00. Complete a One-Time Payment form with \$450.00 as the amount due to the employee. The effective date for this payment is **November 15, 2010**.

A one-time payment for each eligible employee will be processed during nightly-cycle-processing on November 19, 2010. If it is determined that an employee will not be in active pay status on December 1, 2010, notify Stanja Bond (334-242-2188) by 9:00 AM on November 24, 2010. Payments for the longevity bonuses will be included in the employees' regular paychecks and accounting entries will be processed in the payroll journal vouchers for the regularly scheduled semi-arrears and semi-monthly payrolls.

The longevity payments due to full-time employees as amended in 2006 according to Section 36-6-11, *Code of Alabama, 1975* are as follows:

Less than 5 years total service (0-59 months)	\$ -0-
Completed 5 but less than 10 years total service (60-119 months)	500.00
Completed 10 but less than 15 years total service (120-179 months)	600.00
Completed 15 but less than 20 years total service (180-239 months)	700.00
Completed 20 but less than 25 years total service (240-299 months)	800.00
25 or more years total service (over 300 months)	900.00

Federal tax is withheld at a flat rate of 25 percent and state tax is withheld at a flat rate of 3 percent. If the employee's regular pay is subject to FICA and/or Medicare, the longevity pay is also subject to FICA and/or Medicare. Longevity pay is not subject to retirement.

The bonuses will be included in the employees' payroll checks and subject to direct deposit.

If you have any questions, please contact GHRS Hot-Line at (334) 242-2188.
