SUBJECT: IMPORTANT INFORMATION – Professional Services Contract Required Statement

We have been made aware that Act 2016-312 passed in the 2016 Legislative session and becomes effective August 1, 2016. This act requires that a contractor certify that they are “not currently engaged in, and will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.” Therefore, all contracts with an effective date of August 1, 2016 or after will need to be sure to include the following clause in them:

“In compliance with Act 2016-312, the contractor hereby certifies that it is not currently engaged in, and will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.”
