MEMORANDUM

To: Chief Fiscal Officers

From: Robert L. Childree
State Comptroller

Subject: OLGL table in the Central Accounting System (CAS)

Beginning Monday, August 2, the account type field ("AT") in the OLGL table will move from the 9th position to the 4th position. When scanning through entries involving object codes, you will no longer see account types 21, 22, and 24 intermingled. All entries of a single account type will be grouped together, which will be especially helpful when looking for entries to account types 23 and 24.
