MEMORANDUM

TO: ALL CHIEF FISCAL OFFICERS

FROM: Kelly Butler, Assistant Finance Director
Kathleen D. Baxter, State Comptroller
Michael A. Jones, State Purchasing Director

SUBJECT: PROCEDURES FOR END OF FISCAL YEAR, SEPTEMBER 30, 2018
BEGINNING OF FISCAL YEAR, OCTOBER 1, 2018

The procedures and deadlines have been established for closing the fiscal year. The last working day will be September 26, 2018. **The deadline information is available online at www.comptroller.alabama.gov.** There is also a calendar for use as a quick reference. If your agency does not have access to the internet, please contact Pam Harris at pam.harris@comptroller.alabama.gov or (334) 242-4225 for a paper copy of this document.

Please be aware of the dates in this memo. The date deadlines for payment documents and for closing prior year encumbrances will be strictly adhered to.

Departments must ensure that sufficient cash, appropriation, allotment and expense budget authority are available to cover all transactions by the deadline dates. Note that the thirteenth accounting period for FY2018 will end on November 30, 2018.

The last few days of the fiscal year are a critical time for processing documents. During this time, all rejected documents are handled special because of time constraints. Therefore, it is **very important** that members of your staff be available to answer questions, make necessary changes, or otherwise help resolve problems as they arise. The first working day of FY2019 will be October 1, 2018.

CASH RECEIPTS

FY 18

SEPTEMBER 26

This is the last day the Treasurer's Office will accept deposits that will be processed as FY 18 transactions. All deposits on September 26 to be processed in FY 18 should be made between 8:00 a.m. and 2:30 p.m.

All bad checks that have been distributed by the Treasurer's Office by 2:30 p.m. on September 26 should be processed in FY 18 as indicated on page 19 of the Fiscal Policy and Procedures Manual. Any questions regarding bad checks should be directed to the Treasurer's Office at (334) 242-7510.

FY 19

All deposits made after 2:30 p.m. on September 26 will be processed as FY 19 transactions.

The STAARS Doc ID# for FY 19 cash receipts should begin with an "19" in STAARS.

This includes cash receipts made after 2:30 p.m. on September 26. For all departments, these cash receipts must include the proper bank code and deposit ticket number.

No deposits should be coded as refunds of current year disbursements until there have been sufficient disbursements in FY 19.

PRIOR BUDGET YEAR TRANSACTIONS

A cash receipt may be used to correct a FY 18 deposit while the thirteenth accounting period is open. Cash Receipts (whether expenditures, revenue or balance sheet codes) that reclassify FY 18 deposits from one fund to another fund should be coded in the following manner. In the old fund, an accounting line with the original coding will be decreased (debited) and offset on a second accounting line with the balance sheet account 2003 (Due to Other Funds). In the new fund, a third accounting line with the appropriate coding will be increased (credited) and offset on a fourth accounting line with balance sheet account 1203. These first four lines that reclassify deposits from one fund to another fund should be coded to the 13th accounting period. Two additional accounting lines will be required to decrease the old fund (code to 2003) and increase the new fund (code to 1203), and should be coded to FY 19.

CASH RECEIPTS (CONTINUED)

All FY 18 modifications coded to the thirteenth accounting period must not change the total deposit amount and the modification must not change cash (in total) in a fund.

Refunds of prior year expenditures may be deposited as refunds against disbursements while the thirteenth accounting period is open. The first accounting line should increase (credit) a line with the appropriate object code and offset a second accounting line with balance sheet account 1200 – Accounts Receivable (or 1205 – Due from Other Governments as appropriate). Both lines should be coded to the 13th accounting period. A third accounting line in the amount of the refund using the same balance sheet account should be coded to FY 19. All three lines must be coded to the same fund. After the thirteenth accounting period has closed, these prior year refunds should be entered in FY 19 on a single accounting line and coded to revenue source 0684.

All checks originally deposited in FY 18 that are returned after 2:30 p.m. on September 26 should be recorded on an NSF1 document. The first accounting line with the original coding should be decreased (debited) and offset on a second accounting line with balance sheet account 1006. These two lines should be coded to the 13th accounting period. A third negative accounting line to balance sheet account 1006 should be coded to FY 19. All three accounting lines must be coded to the same fund.

FY 18

SEPTEMBER 11 (Manual Agencies)

Manual agencies must submit completed year-end accounts payable journal voucher forms with supporting documentation to the Comptroller's Office by 5:00 PM on this date to allow time for entering into the system. Attached is a sample of the journal voucher document (for Manual Agencies) to be completed in order to establish the year-end accounts payable.

SEPTEMBER 17 (STAARS Agencies)

The year-end accounts payable journal vouchers and corresponding documentation must be received by the Comptroller's office by 5:00 p.m. on this date. Documentation should be attached to the header of this document.

The purpose of these journal vouchers is to ensure that sufficient cash and budget authority are available at year-end for remaining 2018 fiscal year expenditures and should consist only of expenditures incurred, but not paid by September 30, 2018, such as travel and utilities.

NOTE: Do not include capital outlay (050 or other capital outlay units) lines on your accounts payable JV to be encumbered. However, sufficient cash must be available for all capital outlay appropriations (050 or other capital outlay units) and FY 18 POs.

Year-end accounts payable journal vouchers will be accomplished by making the following accounting entry:

Manual Agencies

Manual agencies, in completing the year-end accounts payable journal voucher form, the document number must have 11 digits in the following format:

“8” X X X X X X X X X X “E”
Agcy Department
Code Discretion

It must begin with “8”, followed by the three-digit agency code, plus six digits at the department's discretion, and end with the letter “E”.

The debits to the expenditure accounts (credits not allowed) must include all applicable accounting codes down to the sub-object level.

STAARS Agencies

STAARS agencies, in completing the year-end accounts payables journal vouchers, the document in STAARS is a cloned JVC document and should be entered as an APJV1 document. STAARS agencies **must** enter their accounts payable JV in this format.

A reversal date is required on each document. It is imperative to enter a reversal date for these documents to process correctly and for budget and cash to be restored to allow available budget and cash for 13th accounting period transactions to process. The reversal date of 09/27/2017 must be entered on the header of the **APJV1** document. Agencies **must** place a check mark in the “create reversal document on hold” check box under the reversal date on the header of the APJV1.

*The debits to the expenditure accounts (credits not allowed) must include all applicable accounting codes down to the applicable object level.

Unit, Department and ID - applicable to your specific agency

If you do not enter your accounts payable journal voucher in the prescribed format it may be missed and not processed. It is imperative to follow this format.

***Note:** Manual Users - sub-objects are not required for budgetary control purposes, but are required for journal voucher processing. Therefore, you should use 01 as the

JOURNAL VOUCHER – ACCOUNTS PAYABLE (CONTINUED)

sub-object in each expenditure transaction in order to reduce the number of journal voucher lines. For simplicity all sub-object codes should be concatenated and entered as 0801, 0901, 0401, etc.

All Users

Major object 0100 and 0200 can only be used with prior approval from the Comptroller's Office. Sub-object 04 should be used with major object 0100 for manual users and 0104 for STAARS users.

SEPTEMBER 18

The Comptroller's Office will run a job on this date to ensure that sufficient cash and budget authority are available for multi-year funds already appropriated under appropriation unit 050, or other capital outlay units, and for all FY 18 encumbrances through Purchasing and encumbered professional services contracts. Therefore, these items should NOT be included on your year-end accounts payable journal vouchers.

NOTE: Sufficient cash must be available for all capital outlay appropriations (050 or other capital outlay units) and FY 18 POs.

Once the accounts payable journal vouchers are updated and cash is reserved for Purchasing/Professional Services Contract encumbrances and cash is reserved for Capital Outlay in STAARS, any remaining unexpended/unencumbered budget authority will be reduced to zero for FY 18. After the year-end closing process is completed in STAARS, journal vouchers (accounts payable, and those processed to reserve cash for encumbrances and Capital Outlay) will be reversed in order to restore the cash and FY 18 budget authority for spending during the thirteenth accounting period.

PAYMENT DOCUMENTS (CONTINUED)

FY 18

DATES ON PAYMENT DOCUMENTS

During the 13th accounting period, if goods or services are ordered and received (the expenditure has actually been incurred) on or before 9/30/18, the ACCOUNTING PERIOD on the payment document should be coded "13", whether you are making a direct payment (for example, utilities) or referencing a purchase order. This applies to all payment documents, without exception.

PAYMENT DOCUMENTS REFERENCING INTERFUND INVOICES

When paying Interfund invoices, the accounting period year on the payment document must be the same as the accounting fiscal year on the ITI in STAARS.

FY 19

On your payment documents, LEAVE THE DATE FIELD BLANK.

If prior year goods or services are ordered on or before 9/30/18 and are received on or after 10/1/18, leave the Fiscal Year and Accounting Period fields blank on the payment document, and code "2018" for the budget fiscal year when making a direct payment. On payment documents processed for current year goods or services, leave the Fiscal Year and Accounting Period fields blank and code "2019" for the budget fiscal year.

DATES ON MATERIAL RECEIPTS

The material receipt STATEMENT is required. The statement MUST have the date received on it. Please refer to the memo dated February 13, 2012 regarding Material Receipt Change for instructions.

In STAARS, the use of the material receipt document "RC" is recommended.

If the payment document references a purchase order, the fiscal year of the purchase order determines which fiscal year budget is charged. A payment document referencing a FY 18 purchase order will be charged against the FY 18 budget; a payment document referencing an FY 19 purchase order will be charged against the FY 19 budget. Expenditures must be paid from the proper fiscal year and multiple fiscal years cannot be processed on the same document.

PAYMENT DOCUMENTS (CONTINUED)

Priority Authorizations

If the authorization was obtained prior to 10/1/18, but the goods or services were ordered and received after 9/30/18, the Budget FY on the document should be "2018". If the goods or services were ordered and received prior to 9/30/18, then "13" should be placed in the accounting period and "2018" in the Budget FY.

Capital Outlay

Always code the correct budget year in the Budget FY field, whether "2002", "2003", "2004", "2005", "2006", "2007", "2008", "2009", "2010", "2011", "2012", "2013", "2014", "2015", "2016", "2017", "2018".

See the chart on pages 17 through 19 showing how to apply these rules in all situations.

Documents carrying a blank date or accounting period and a budget fiscal year of "2018" that do not reference a contract or purchase order pertaining to an ongoing project will also reject. Capital outlay items are the exception and can continue to be processed with a blank date and the appropriate budget fiscal year. Payments for items received after 9/30/18 paid against a FY 18 purchase order will continue to be paid against FY 18 encumbrances by referencing the purchase order and by placing the appropriate budget fiscal year in the document header. Payments against a FY 18 purchase order can have overruns during the 13th accounting period only.

NOTE: Any goods or services not on purchase orders received prior to October 1 must be paid for by November 30.

Manual Agencies

All FY17 DOP*/ISE1 documents that are multi-year and have or will have a corresponding FY18 encumbrance must be reviewed. FY17 DOP*/ISE1 encumbrances will be closed and should be decreased to the amount spent. This reduced amount will increase the available amount on the MAP* document and will allow an FY18 increase for an encumbrance, with available allotment, and keep the contract amount whole for any future year encumbrances, if applicable. Please coordinate this with Fiscal Management in the Comptroller's Office, Randy Head at (334) 353-9275, or Traci Bakke at (334) 353-1524.

STAARS Agencies

All FY17 DOP*/ISE1 documents that are multi-year and have or will have a corresponding FY18 encumbrance must be reviewed. FY17 DOP*/ISE1 encumbrances will be closed and should be decreased to the amount spent. This reduced amount will increase the available amount on the MAP*/ISA1 document and will allow an FY18 increase for an encumbrance, with available allotment, and keep the contract amount whole for any future year encumbrances, if applicable.

SEPTEMBER 7

All FY 18 Professional Services contracts/amendments (ISA1, MAP1, MAPIT1 and MAPBC1) must be submitted to the Comptroller's Office for approval and processing by this date (manual agencies will send their hard copies to Fiscal Management for this process).

Any contracts/amendments/encumbrances not submitted by this date must be included on the year-end accounts payable journal vouchers if expenditures are applicable to FY 18. These contracts/amendments/encumbrances must then be entered into STAARS during the 13th accounting period (manual agencies will send their hard copies to Fiscal Management for this process).

SEPTEMBER 13

All outstanding FY17 DOP*/ISE1 encumbrances (except Capital Outlay) will be closed in STAARS.

SEPTEMBER 14

All FY 18 encumbrances (DOP1, DOPIT1, DOPBC1, and ISE1) must be submitted to the Comptroller's Office for approval and processing by this date (manual agencies will send their requests to Fiscal Management for this process). If the MAP*/ISA1 is

a multi-year award, you will be allowed to modify any FY18 encumbrance document during the 13th accounting period, if you have sufficient FY18 allotment.

FY 19

OCTOBER 2

New contracts (MAP*'s & ISA1's) or modifications (DOP*'s & ISE1's) for FY19 may be keyed in STAARS and validated, but should not be submitted to our office prior to this date. Do not enter a BFY in the header on your new documents.

STAARS Agencies

If a MAP* or ISA1 is a multi-year award, you will be allowed to modify (increase) any FY18 DOP* or ISE1 document if you have sufficient FY18 allotment reserved for the 13th accounting period.

You may also enter any new FY19 DOP* & ISE1 documents against their corresponding MAP* & ISA1, if applicable, on October 2, 2018, if the expiration date of the MAP* or ISA1 extends past 09/30/2018. The encumbrances on multi-year agreements will reference the same MAP* or ISA1 number already on the system. Agencies may have multiple fiscal year (FY18 and FY19) DOP*s/ISE1's for the same MAP*/ISA1 for multi-year agreements.

DOP*s/ISE1s may be modified (decreased) throughout the year.

We encourage the use of one DOP* for each MAP* document in a fiscal year.

Manual Users

Manual users will continue to submit their paperwork to the Comptroller's office as usual.
