Re: Federal Coronavirus Relief Fund Update

The Finance Department has recently received updated budgets from the League of Municipalities for the municipal government entities. The original memo issued on May 28, 2020 with updated budgets is attached and represents the maximum allowable for reimbursement for each municipal entity. This information is also available on the State Comptroller's website at <https://comptroller.alabama.gov/covid-19-1/>.

If you have questions related to the budget calculations or changes to these budgets, please contact the League of Municipalities. If you have questions related to filling out the forms and qualifying expenditures please email localgov@finance.alabama.gov.

The Finance Department is also working on a Frequently Asked Questions (FAQ) document to help with reimbursement related questions.

Thank you for your patience as we continue our work to release the Coronavirus Relief Funds.

Re: Federal Coronavirus Relief Fund

The federal Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) includes funds that will be distributed to local governments to use to pay costs incurred in responding to the COVID-19 outbreak. This memo describes how your county, city or town can access funds for that purpose.

Background

The CARES Act authorized \$150 Billion through the Coronavirus Relief Fund for state and local governments, including approximately \$1.8 Billion for Alabama. Aside from Jefferson County, funds have been sent in the first instance to the state, with the expectation that the state will use funds for its own expenses and those of counties and municipalities.

The Finance Department has established a separate fund in the state treasury to hold the federal funds and is authorized to spend from those funds within the parameters of the CARES Act and other federal and state law.

Eligible Uses

Under federal law, eligible uses must meet three conditions. They must be:

1. Necessary expenditures incurred due to the public health emergency with respect to COVID-19.
2. Not budgeted as of March 27, 2020 when the CARES Act was enacted.
3. Incurred on or after March 1, 2020, up to December 30, 2020.

The purpose of the Coronavirus Relief Fund appropriation is for the funds to be used to prevent, prepare for, and respond to coronavirus only. No other purpose is authorized. Funds may not be utilized to replace or supplant any other funding nor to fill revenue shortfall gaps.

Note that these eligible uses are as currently described in federal law and relevant guidance from the US Treasury. If these uses are modified by future federal actions, the Finance Department will revisit the process and procedures described in this guidance.

For further context on costs that the state anticipates counties and municipalities may incur, see the attached list of potential uses (Attachment C). If your county or municipality contemplates the use of funds outside these parameters, please contact the State Comptroller's Shared Services Section at LocalGov@finance.alabama.gov.

Intersection with Other Funding Sources

Eligible uses of the federal Coronavirus Relief Fund (CRF) may overlap with allowable uses of other federal grants and reimbursements. It is imperative that these reimbursements are not in addition to any other federal funding for the same expenditure.

Available Funds

Local governments may request reimbursement for funds that have been paid in support of the Coronavirus Pandemic. This request will be made in accordance with the instructions provided with this memo. Each entity will be provided a budget, based on Attachment D, that will be used to request reimbursement from. We encourage each entity to keep track of their balance. If at any time the entity needs to verify their available balance they may email LocalGov@finance.alabama.gov.

Forms Required to Request Funds

Local governments must complete Attachment A - *CRF Acknowledgement and Certification* before applying for any reimbursement requests. This document will be on file with the Comptroller's Office so that it will not have to be attached with each subsequent reimbursement request. Local governments must complete Attachment B - *CRF Request for Reimbursement Form* to request the actual reimbursements and include copies of detailed receipts for all reimbursement requests. If you have questions or concerns, please contact LocalGov@finance.alabama.gov.

Audit Provisions and Documentation

Federal Coronavirus Relief Fund expenditures are subject to audit by an Inspector General within the U.S. Department of the Treasury. Documenting that expenditures are eligible uses of CRF funds is essential to managing compliance risk and to minimizing the possibility that the expenditures are deemed ineligible, which could require the local government and the state to return funds to the federal government.

We ask that you document expenditures clearly with respect to the date and type of expense incurred so that together we can best manage resources in the interests of the residents of Alabama. In general, we will be asking that you document expenses with the same specificity as for FEMA reimbursements. The Department of Finance will follow up with further guidance as necessary.

Thank you for your cooperation as we work together to protect the interests of all our residents.

**CORONAVIRUS RELIEF FUNDS (CRF)
ACKNOWLEDGEMENT AND CERTIFICATION**

AUTHORITY

Section 601(a)(1) of the Social Security Act (42 U.S.C. 301 et seq.), known as the Coronavirus Relief Fund, as created by Section 5001 of the CARES Act, Pub. L. No. 116-136 (March 27, 2020), appropriates money from the Treasury of the United States for making payments to States, Tribal governments, and units of local government for fiscal year 2020.

Act 2020-199 appropriates the State's portion of funds from the Coronavirus Relief Fund to the Alabama Department of Finance to administer the funds and provides categories for which the funds may be expended.

USE OF FUNDS

Section 601(d) of the Coronavirus Relief Fund states, "A State, Tribal government, and unit of local government shall use the funds provided [by the Coronavirus Relief Fund] to cover only those costs of the State, Tribal government, or unit of local government that:

- (1) are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19);
- (2) were not accounted for in the budget most recently approved as of the date of enactment of this section for the State or government; and
- (3) were incurred during the period that begins on March 1, 2020 and ends on December 30, 2020."

The purpose of the Coronavirus Relief Fund appropriation is for the funds to be used to prevent, prepare for, and respond to coronavirus only. No other purpose is authorized. Funds may not be utilized to replace or supplant any other funding nor to fill revenue shortfall gaps.

Act 2020-199 does not alter or otherwise impact the purpose of the funds.

CERTIFICATION

Eligibility to receive payment from the State's portion of funds from the Coronavirus Relief Fund is contingent upon the recipient (State agencies or local governmental entities) certifying, in writing that the recipient will: (1) use the funds in a lawful manner consistent with Section 601(d) of the Coronavirus Relief Fund (as set forth in the "Use of Funds" section immediately preceding this section) and (2) will comply with any and all policies and directives issued by the Alabama Department of Finance related to the Coronavirus Relief Funds.

RECOUPMENT

The Inspector General of the Department of the Treasury is required to conduct monitoring and oversight of the receipt, disbursement, and use of funds made available under this section. If it is determined that the unit of local government has failed to comply with Section 601(d) of the Coronavirus Relief Fund, funds used in violation of that section shall be considered, by the State of Alabama, as a debt of the recipient owed directly to the Federal Government.

REALLOCATION

Relief Funds received from this award that remain on balance as unused on December 30, 2020, shall be returned to the Alabama Department of Finance.

SANCTIONS

Expenditure of Coronavirus Relief Funds from this award in a manner not allowed or inconsistent with the law and with the “Use of Funds” statement may result in future awards being suspended or terminated.

REPORTING REQUIREMENTS

The CARES Act Sections 15010(b) and 15011 require the State to provide the federal government with regular reports on the amount of funds received and expended from the Coronavirus Relief Fund and the types of projects or activities for which the funds are used. For the State to comply with its reporting requirements, recipients of such funds from the State may be required to provide the following information to the Alabama Department of Finance by the first day of every month containing information for the immediately preceding month:

- (A) the total amount of funds received from this award;
- (B) the amount of funds that were expended or obligated for each project or activity;
- (C) a detailed list of the projects or activities for which these funds were expended or obligated, including:
 - (i) the name of the project or activity;
 - (ii) a description of the project or activity; and
 - (iii) the estimated number of jobs created or retained by the project or activity, (if applicable); and
- (D) detailed information on any level of subcontracts or subgrants awarded by the recipient or its subcontractors or subgrantees, to include the data elements required to comply with the Federal Funding Accountability and Transparency Act of 2006 (31 U.S.C. 6101 note) allowing aggregate reporting on awards below \$50,000 or to individuals, as prescribed by the Director of the Office of Management and Budget.
