**MEMORANDUM**

**TO:** All Chief Fiscal Officers

**FROM:** Kelly Butler, Finance Director  
Kathleen D. Baxter, State Comptroller  
Michael Jones, State Purchasing Director

**DATE:** July 23, 2021

**SUBJECT:** PROCEDURES FOR END OF FISCAL YEAR, SEPTEMBER 30, 2021  
AND BEGINNING OF FISCAL YEAR, OCTOBER 1, 2021

The procedures and deadlines have all been established for closing the fiscal year. Please ensure that all appropriate staff are informed of the following deadlines. The last working day will be September 28, 2021. *The deadline information is available online at [www.comptroller.alabama.gov](http://www.comptroller.alabama.gov).* There is also a calendar for use as a quick reference. If your agency experiences problems downloading this EOY memo, please contact Randy Head at (334) 353-9275 or [randy.head@comptroller.alabama.gov](mailto:randy.head@comptroller.alabama.gov), for a paper copy of this document.

*Please be aware of the dates in this memo. The date deadlines for payment documents and for closing prior year encumbrances will be strictly adhered to.*

Departments must ensure that sufficient cash, appropriation, allotment and expense budget authority are available to cover all transactions by the deadline dates. Note that the thirteenth accounting period for FY 2021 will end on November 30, 2021.

The last few days of the fiscal year are a critical time for processing documents. During this time, all rejected documents are handled special because of time constraints. Therefore, it is **very important** that members of your staff be available to answer questions, make necessary changes, or otherwise help resolve problems as they arise. The first working day of FY 2022 will be October 1, 2021.

## **CASH RECEIPTS**

### **FY 21**

SEPTEMBER 28

This is the last day the Treasurer's Office will accept deposits that will be processed as FY 21 transactions. All deposits on September 28 to be processed in FY 21 should be made between 8:00 a.m. and 2:30 p.m.

All bad checks that have been distributed by the Treasurer's Office by 2:30 p.m. on September 28 should be processed in FY 21 as indicated on page 19 of the Fiscal Policy and Procedures Manual. Any questions regarding bad checks should be directed to the Treasurer's Office at (334) 242-7510.

### **FY 22**

All deposits made after 2:30 p.m. on September 28 will be processed as FY 22 transactions.

The STAARS Doc ID# for FY 22 cash receipts should begin with "22" in STAARS.

This includes cash receipts made after 2:30 p.m. on September 28. For all departments, these cash receipts must include the proper bank code and deposit ticket number.

No deposits should be coded as refunds of current year disbursements until there have been sufficient disbursements in FY 22.

### **PRIOR BUDGET YEAR TRANSACTIONS**

A cash receipt may be used to correct a FY 21 deposit while the thirteenth accounting period is open. Cash Receipts (whether expenditure, revenue or balance sheet codes) that reclassify FY 21 deposits from one fund to another fund should be coded in the following manner. In the old fund, an accounting line with the original coding will be decreased (debited) and offset on a second accounting line with the balance sheet account 2003 (Due to Other Funds). In the new fund, a third accounting line with the appropriate coding will be increased (credited) and offset on a fourth accounting line with balance sheet account 1203. These first four lines that reclassify deposits from one fund to another fund should be coded to the 13<sup>th</sup> accounting period. Two additional accounting lines will be required to decrease the old fund (code to 2003) and increase the new fund (code to 1203) and both should be coded to FY 22.

**CASH RECEIPTS - CONTINUED**

All FY 21 modifications coded to the thirteenth accounting period must not change the total deposit amount and the modification must not change cash (in total) in a fund.

Refunds of prior year expenditures may be deposited as refunds against disbursements while the thirteenth accounting period is open. The first accounting line should increase (credit) a line with the appropriate object code and offset a second accounting line with balance sheet account 1200 – Accounts Receivable (or 1205 – Due from Other Governments as appropriate). Both lines should be coded to the 13<sup>th</sup> accounting period. A third accounting line in the amount of the refund using the same balance sheet account should be coded to FY 22. All three lines must be coded to the same fund. After the thirteenth accounting period has closed, these prior year refunds should be entered in FY 22 on a single accounting line and coded to revenue source 0684.

All checks originally deposited and certified in FY 21 that are returned after 2:30 p.m. on September 28 should be recorded on an NSF1 document while the thirteenth accounting period is open. The first accounting line with the original deposit's coding should be decreased (debited) and offset on a second accounting line with balance sheet account 1006. These two lines should be coded to the 13<sup>th</sup> accounting period. A third accounting line decreasing balance sheet account 1006 should be coded to FY 22. All three accounting lines must be coded to the same fund.

**Manual Agencies**

Manual agencies, when completing the year-end accounts payable journal voucher form to send to the Shared Services email, the document number must have 11 digits in the following format:

“21”	X X X	X X X X X	"E"
	Dept	Department	
	Code	Discretion	

It must begin with “21”, followed by the three-digit agency/department code, plus five digits at the department's discretion, and end with the letter "E".

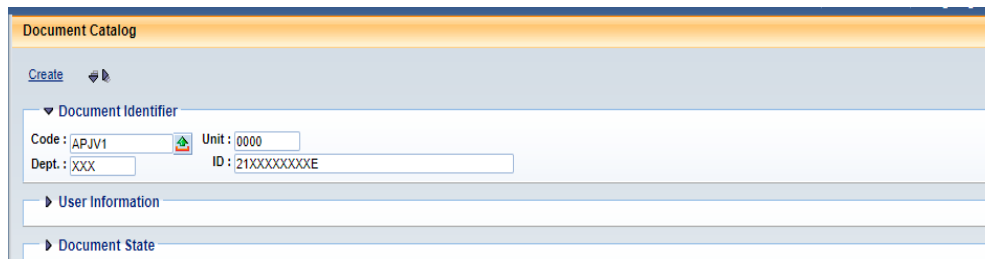

The debits to the expenditure accounts (credits not allowed) must include all applicable accounting codes down to the applicable object level.

**STAARS Agencies**

STAARS agencies, in completing the year-end accounts payables journal vouchers, the document in STAARS is a cloned JVC document and should be entered as an APJV1 document. STAARS agencies **must** enter their accounts payable JV in this format.

A reversal date is required on the header of each document. It is imperative to enter a reversal date for these documents to process correctly and for budget and cash to be restored to allow available budget and cash for 13<sup>th</sup> accounting period transactions to process. The reversal date of **09/29/2021** must be entered on the header of the **APJV1** document. Agencies **must** place a check mark in the “create reversal document on hold” check box under the reversal date on the header of the APJV1.

\*The debits to the expenditure accounts (credits not allowed) must include all applicable accounting codes down to the applicable object level.

Code – APJV1

Unit, Department and ID - applicable to your specific agency

**JOURNAL VOUCHER – (ACCOUNTS PAYABLE) – CONTINUED**

**If you do not enter your accounts payable journal voucher in the prescribed format it may be missed and not processed. It is imperative to follow this format.**

**\*Note:** Manual Users – Object categories are used for budgetary control purposes. Therefore, you should use 01 as the last two digits of the object in each expenditure transaction in order to reduce the number of journal voucher lines. For simplicity, all object codes within the same object category should be consolidated and entered as 0801, 0901, 0401, etc.

**All Users**

**Object categories 0100 and 0200 can only be used with prior approval from the Comptroller's Office. Object 0104 should be used for object category 0100 for manual and STAARS users.**

**SEPTEMBER 24**

The Comptroller's Office will run a job on this date to ensure that sufficient cash and budget authority are available for multi-year funds already appropriated under appropriation unit 050, or other capital outlay units, and for all FY 21 encumbrances through Purchasing and encumbered professional services contracts. Therefore, these items should NOT be included on your year-end accounts payable journal vouchers.

**NOTE: Sufficient cash must be available for all capital outlay appropriations (050 or other capital outlay units) and FY 21 POs.**

Once the accounts payable journal vouchers are updated, and cash is reserved for Purchasing/Professional Services Contract encumbrances, and cash is reserved for Capital Outlay in STAARS, any remaining unexpended/unencumbered budget authority will be reduced to zero for FY 21. After the year-end closing process is completed in STAARS, journal vouchers (accounts payable, and those processed to reserve cash for encumbrances and Capital Outlay) will be reversed in order to restore the cash and FY 21 budget authority for spending during the thirteenth accounting period.

**ANY PAYMENT DOCUMENTS REJECTED, GREENSLIPPED, OR OTHERWISE NOT COMPLETED MUST BE INCLUDED ON THE YEAR-END ACCOUNTS PAYABLE JOURNAL VOUCHERS BY 09/16/2021 (SEE PAGES 9-12 FOR DETAILS).**

## **PAYMENT DOCUMENTS – CONTINUED**

### **FY 21 CONTINUED**

SEPTEMBER 14 continued

All in-state travel payment documents for the October 1<sup>st</sup> paycheck must be received by the Comptroller’s Office by 3:30 PM.

All FY 21 travel payment documents not submitted to the Comptroller’s Office by September 14<sup>th</sup> will not be processed until after October 1<sup>st</sup> and will need to be processed during the 13<sup>th</sup> accounting period.

### **DATES ON PAYMENT DOCUMENTS**

During the 13th accounting period, if goods or services are ordered and received (the expenditure was actually incurred) on or before 9/30/21, the ACCOUNTING PERIOD on the payment document should be coded “13”, whether you are making a direct payment (for example, utilities) or referencing a purchase order. This applies to all payment documents, without exception.

### **PAYMENT DOCUMENTS REFERENCING INTERFUND INVOICES**

When paying Interfund invoices, the accounting period year on the payment document must be the same as the accounting fiscal year on the ITI in STAARS.

### **FY 22**

On your payment documents, **LEAVE THE DATE FIELD BLANK.**

If prior year goods or services are ordered on or before 9/30/21 and are received on or after 10/1/21, leave the Fiscal Year and Accounting Period fields blank on the payment document, and code “2021” for the budget fiscal year when making a direct payment. On payment documents processed for current year goods or services, leave the Fiscal Year and Accounting Period fields blank and code “2022” for the budget fiscal year.

**PAYMENT DOCUMENTS - CONTINUED**

DATES ON MATERIAL RECEIPTS

**The material receipt STATEMENT is required. The statement MUST have the date the good or service was received. Please refer to the memo dated February 13, 2012 regarding Material Receipt Change for instructions.**

In STAARS, the use of the material receipt document “RC” is recommended.

If the payment document references a purchase order, the fiscal year of the purchase order determines which fiscal year budget is charged. A payment document referencing a FY 21 purchase order will be charged against the FY 21 budget; a payment document referencing a FY 22 purchase order will be charged against the FY 22 budget. Expenditures must be paid from the proper fiscal year and multiple fiscal years cannot be processed on the same document.

PRIORITY AUTHORIZATIONS

If the authorization was obtained prior to 10/1/21, but the goods or services were ordered and received after 9/30/21, the Budget FY on the document should be “2021”. If the goods or services were ordered and received prior to 9/30/21, then “13” should be placed in the accounting period and “2021” in the Budget FY.

CAPITAL OUTLAY

Always code the correct budget year in the Budget FY field, whether “2002”, “2003”, “2004”, “2005”, “2006”, “2007”, “2008”, “2009”, “2010”, “2011”, “2012”, “2013”, “2014”, “2015”, “2016”, “2017”, “2018”, “2019”, “2020”, or “2021”.

See the chart on pages 17 through 19 showing how to apply these rules in all situations.

## **THIRTEENTH ACCOUNTING PERIOD**

### **NOVEMBER 12**

All FY 21 payment documents and documents green slipped prior to November 11<sup>th</sup> must be received by the Comptroller's Office by 3:30 p.m. This includes all FY 21 purchase order/contract payments not involving an ongoing project. An ongoing project is anything on a purchase order that was ordered in FY21 but has not been received by this payment document deadline.

### **NOVEMBER 16**

All green slipped documents generated after November 11th must be returned by **NOON** on this date to ensure processing in the thirteenth accounting period.

The thirteenth accounting period for 2021 and all future fiscal years will end on the last working day of November. After that date, no further expenditures or adjustments can be made against the 13th accounting period, and all unencumbered previous year budget balances will lapse.

After November 30th, all documents with an accounting period of "13" will be rejected. Documents carrying a blank date or accounting period and a budget fiscal year of "2021" that do not reference a contract or purchase order pertaining to an ongoing project will also reject. Capital outlay items are the exception and can continue to be processed with a blank date and the appropriate budget fiscal year. Payments for items received after 9/30/21 paid against a FY 21 purchase order will continue to be paid against FY 21 encumbrances by referencing the purchase order and by placing the appropriate budget fiscal year in the document header. Payments against a FY 21 purchase order can have overruns during the 13<sup>th</sup> accounting period only.

**THIRTEENTH ACCOUNTING PERIOD - CONTINUED**

**NOTE:** Any goods or services not on purchase orders that are ordered in FY21 and received prior to October 1 (13<sup>th</sup> APD) or after October 1 but before the payment document deadline (BFY2021/AFY2022) must be paid for by November 30. Only purchases on a FY21 purchase order received after the payment document deadline (November 12) can be submitted after November 30<sup>th</sup> as an ongoing project. However, these BFY2021/AFY2022 payments should not be for recurring type purchases such as office supplies, automotive supplies, building supplies, etc. or other items that are generally on statewide contract. Payments coded to BFY2021/AFY2022 should be project based such that it took time to get everything together for the procurement/delivery to be complete such as automobiles, large equipment, etc. If you have questions if a specific purchase can be submitted for payment after the posted deadlines, please contact [ap@comptroller.alabama.gov](mailto:ap@comptroller.alabama.gov) prior to the deadline to get confirmation.

## **PROFESSIONAL SERVICES CONTRACTS**

### **FY 21**

AUGUST 16

All FY 20 DOP\*/ISE1 documents that are multi-year and have or will have a corresponding FY 21 encumbrance must be reviewed. FY 20 DOP\*/ISE1 encumbrances will be closed and should be decreased to the amount spent. This reduced amount will increase the available amount on the MAP\*/ISA1 document and will allow a FY21 increase for an encumbrance, with available allotment, and keep the contract amount whole for any future year encumbrances, if applicable. Please ask questions and coordinate this with Fiscal Management in the Comptroller's Office, Randy Head at (334) 353-9275 or Jeanne Friesen at (334) 353-1524.

**NOTE: Manual agencies will email these transactions to the Comptroller's Shared Services Section at [comptroller--sharedservices@comptroller.alabama.gov](mailto:comptroller--sharedservices@comptroller.alabama.gov) by this date.**

SEPTEMBER 13

All outstanding FY 20 DOP\*/ISE1 encumbrances (except Capital Outlay) will be closed in STAARS.

SEPTEMBER 13

All FY 21 Professional Services contracts/amendments (ISA1, MAP1, MAPIT1 and MAPBC1) must be submitted to the Comptroller's Office for approval and processing by this date (manual agencies will email their copies to the Shared Services email for this process by this date).

**Any contracts/amendments/encumbrances not submitted by this date must be included on the year-end accounts payable journal vouchers if expenditures are applicable to FY 21.** These contracts/amendments/encumbrances must then be entered into STAARS during the 13th accounting period (manual agencies will email their copies to the Shared Services email for this process).

SEPTEMBER 16

All FY 21 encumbrances (DOP1, DOPIT1, DOPBC1, and ISE1) must be submitted to the Comptroller's Office for approval and processing by this date (manual agencies will send their requests to the Shared Services email for this process). If the MAP\*/ISA1 is a multi-year award, you will be allowed to modify any FY 21 encumbrance documents during the 13th accounting period, if you have sufficient FY 21 allotment reserved.

DECEMBER 1

**NOTE: All FY 21 GAE and POD1 decentralized encumbrances will be closed at the end of the 13th accounting period.**

**PROFESSIONAL SERVICE CONTRACTS - CONTINUED**

**FY 22**

OCTOBER 4

New contracts/modifications (MAP\*'s & ISA1's) or encumbrances (DOP\*'s & ISE1's) for FY 22 may be keyed in STAARS and validated but should not be submitted to our office prior to this date. *Do not enter a BFY in the header on your new documents.*

STAARS Agencies

If a MAP\* or ISA1 is a multi-year award, you will be allowed to modify (increase) any FY 21 DOP\* or ISE1 document if you have sufficient FY 21 allotment reserved for the 13th accounting period.

You may also enter any new FY 22 DOP\* & ISE1 documents against their corresponding MAP\* & ISA1, if applicable, on October 4, 2021, if the expiration date of the MAP\* or ISA1 extends past 09/30/2021. The encumbrances on multi-year agreements will reference the same MAP\* or ISA1 number already on the system. Agencies may have multiple fiscal year (FY 21 and FY 22) DOP\*s/ISE1's for the same MAP\*/ISA1 for **multi-year agreements**.

FY 21 DOP\*s/ISE1s may be modified (decreases only) throughout FY 22, after the 13<sup>th</sup> accounting period of FY 21 has ended.

**We encourage the use of one DOP\* for each MAP\* document in a fiscal year.**

Manual Users

Manual users will continue to submit their paperwork to the Comptroller's office as usual.
