Frequently Asked Questions

General

What is the Alabama Rural Hospital Grant Program?

This program is an initiative of Governor Kay Ivey and the Alabama Legislature to provide support to Alabama-Based Rural Hospitals that have been impacted by the coronavirus pandemic. U.S. Treasury guidance allows the State to use American Rescue Plan Act (ARPA) dollars for qualified expenditures. Therefore, the State of Alabama will offer cash grants in a predetermined amount for organizations that meet eligibility requirements. More information about the grant application process and eligibility requirements is included in the responses to "Frequently Asked Questions" below and on the Alabama Coronavirus Relief Fund website at https://frf.alabama.gov/.

Where did the funding come from?

The Alabama Legislature appropriated \$136,796,346 from Alabama's ARPA State Fiscal Recovery Revenue Replacement Fund. \$30 million of these funds will be distributed to Alabama's Rural Hospitals.

Is there any cost to me associated with the grant?

No.

What is the timeline of the application?

Monday, March 14, 2022 – Friday, April 8, 2022

Starting at noon on March 14, 2022, eligible rural hospitals may submit an application through the Department of Finance's Submittable <u>Online Portal</u>. The application period closes at noon on Friday, April 8, 2022.

What is the deadline to complete the application?

On April 8, 2022 at noon.

How many providers will receive the funds?

Grants will be awarded to eligible Rural Hospitals across the State of Alabama. Please see Appendix A attached to this document.

What type of expenses are not permissible under this grant?

This grant award is to be utilized to support the provision of police, fire, and public safety services. The Funds may not be used for the following:

- To offset a reduction in net tax revenue;
- For deposit into pension funds;
- For debt service or replenishing financial reserves;
- For satisfaction of settlements or judgments;
- Or, any project or use that conflicts or contravenes the purpose of the American Rescue Plan Act

For further context of permissible use of the grant award, please review Coronavirus State and Local Fiscal Recovery Funds Guidance and Coronavirus State and Local Fiscal Recovery Funds Frequently Asked Questions on the <u>U.S. Department of the Treasury</u> Website.

Payment Information

How will I receive my funds (by check or direct deposit)?

Grant funds will be disbursed by direct deposit using the bank information provided on the application. To help ensure that payments are properly distributed, bank information submitted with an application will be subject to review prior to the distribution of funds. To avoid delays in the disbursement of grant funds, applicants must provide bank account information for a depository account with a valid bank routing number. If the bank information provided is for a prepaid debit card or similar payment medium, this bank information will be subject to manual review and confirmation before the funds are disbursed. (Please note, although these verification measures may slow down the disbursement of grant funds, they are necessary to ensure that your organization is the one receiving any grant funds awarded and that an application has not been submitted on your behalf without your knowledge.) If the bank information provided with the application has previously been designated as fraudulent, the grant application will be denied.

Will these funds be issued to me as a loan or a grant?

A grant.

Do I have to repay these funds?

No, unless it is determined the information contained within the application was false, fraudulent, or materially misleading or if it is determined that the funds were utilized for an impermissible use.

How much can I apply for?

A Rural Hospital applicant may apply for and be awarded a grant equal to the amount shown in Appendix A.

How will the amount of the grant award be determined?

Grant awards to eligible rural hospitals will be based on the number of licensed beds in each facility.

Do I need to document or report how I use the funds I receive?

Yes, you should document the use of the grant award and retain that information for the purpose of possible future federal, state, or other audits.
