

COVID Relief Grants for Assisted Living Facilities

The State of Alabama will offer grants to Assisted Living Hospitals that meet eligibility requirements. Total approved disbursements will be awarded to eligible applicants. The Alabama Assisted Living Facility Grants are to support licensed assisted living facilities with unreimbursed expenses incurred in their response to Covid -19. The application process for this grant program is being administered by the Alabama Department of Finance.

The application period for the Alabama Assisted Living Facility Grant Program will be open from noon August 15, 2022 through noon August 26, 2022.

Eligible applicants for this grant program are Assisted Living Facilities licensed by the Alabama Department of Public Health. A list of those facilities and their award amount can be found in Appendix A of this document.

Frequently Asked Questions

General

- **What is the Alabama Assisted Living Facilities Grant Program?**

This program is an initiative of Governor Kay Ivey and the Alabama Legislature to assist with eligible covid-related expenses incurred by licensed assisted living facilities. U.S. Treasury guidance allows the State to use American Rescue Plan Act (ARPA) dollars for qualified expenditures. Therefore, the State of Alabama will offer cash grants in a predetermined amount for facilities that meet eligibility requirements. More information about the grant application process and eligibility requirements is included in the responses to "Frequently Asked Questions" below and on the Alabama Coronavirus Relief Fund website at <https://frf.alabama.gov/>.

- **Where did the funding come from?**

The Alabama Legislature appropriated \$36,796,346 from Alabama's ARPA State Fiscal Recovery Revenue Replacement Fund to support the delivery of healthcare and related services. \$5 million of these funds will be distributed to eligible assisted living facilities.

- **Is there any cost to me associated with the grant?**

No.

- **What is the timeline of the application?**

Monday, August 15, 2022 – Friday, August 26, 2022

Starting at noon on August 15, 2022, eligible facilities may submit an application through the Department of Finance's Submittable [Online Portal](#). The application period closes at noon on Friday, August 26, 2022.

- **What is the deadline to complete the application?**

On August 26, 2022 at noon.

- **How many providers will receive the funds?**

Grants will be awarded to eligible facilities across the State of Alabama. Please see Appendix A attached to this document.

- **What type of expenses are not permissible under this grant?**

The purpose of this grant is to provide assistance with covid-related expenses incurred by eligible assisted living facilities as they responded to the Covid-19 pandemic. Awards under this program may not be used for:

- *Reimbursement for costs covered by insurance payments*
- *Expenses that will be reimbursed under other federal or state funding programs*
- *Reimbursements to donors for donated goods or services*
- *Workforce bonuses*
- *Severance pay*
- *Legal settlements*
- *Payment of outstanding dept*
- *Pension or retirement obligations*

For further context of permissible use of the grant award, please review Coronavirus State and Local Fiscal Recovery Funds Guidance and Coronavirus State and Local Fiscal Recovery Funds Frequently Asked Questions on the [U.S. Department of the Treasury Website](#).

- **How will I be notified about the status of my application?**

To find out the status of your application, please log into your online portal.

- **Is there a way for me to know that my application was successfully submitted?**

You will receive an email confirmation letting you know your application has been submitted. You may also log into your online portal.

- **Who can I contact to follow up with my application?**

Please log into your online portal to find the status of your application.

Eligibility

- **Who is eligible to apply?**

Assisted Living Facilities which are located within the State of Alabama and licensed by the Alabama Department of Public Health. Please see attached Appendix A.

- **Can I apply more than once for the same facility?**

No. Each facility may receive only one award of funds. However, administrators who work for multiple licensed facilities may submit applications for each eligible facility under their username.

Application Process

- **What information do I need to have to complete my application?**

You will need contact information for facility, including the EIN, copy of an updated W-9, a copy of a voided check or bank memo, and any other supporting documentation that may be deemed necessary for award.

- **Will I have the option to save my application to make any changes and submit later or will I be required to complete the application in a single online session?**

You may save your application and come back to it at a later date (prior to application deadline) using your online portal credentials.

- **Can the application be changed after it has been submitted?**

No. Once the application has been submitted, you will not be able to make any changes.

- **Can I resubmit my application if I fail to submit supporting documentation with my application?**

Only one application per facility will be accepted. If you omit information, you may be contacted as the application is processed and allowed to submit supporting documentation as required for the program.

- **Can I submit my application via regular mail or email?**

No. Currently, the program is only accepting applications through Submittable [Online Portal](#).

Payment Information

- **How will I receive my funds (by check or direct deposit)?**

Grant funds will be disbursed by direct deposit using the bank information provided on the application. To help ensure that payments are properly distributed, bank information submitted with an application will be subject to review prior to the distribution of funds. To avoid delays in the disbursement of grant funds, applicants must provide bank account information for a depository account with a valid bank routing number. If the bank information provided is for a prepaid debit card or similar payment medium, this bank information will be subject to manual review and confirmation before the funds are disbursed. (Please note, although these verification measures may slow down the disbursement of grant funds, they are necessary to ensure that your organization is the one receiving any grant funds awarded and that an application has not been submitted on your behalf without your knowledge.) If the bank information provided with the application has previously been designated as fraudulent, the grant application will be denied.

- **Will these funds be issued to me as a loan or a grant?**

A grant.

- **Do I have to repay these funds?**

No, unless it is determined the information contained within the application was false, fraudulent, or materially misleading or if it is determined that the funds were utilized for an impermissible use.

- **How much can I apply for?**

An eligible applicant may apply for and be awarded a grant equal to the amount shown in Appendix A.

- **How will the amount of the grant award be determined?**

Grant awards to eligible facilities will be based on the number of licensed beds in each facility.

- **Do I need to document or report how I use the funds I receive?**

Yes, you should document the use of the grant award and retain that information for the purpose of possible future federal, state, or other audits.

Account Registration

- Will I have to create an account/profile in order to complete the application?

Yes. To apply, please go through the [Online Portal](#).

Technical Troubleshooting

- Who do I need to contact if I have any technical difficulties with the application process or if I'm unable to log into my account?

For Application Customer Support, please contact:
